

# KIZZME

**KIZZME | The upcoming live kizomba sensation!**

# What makes KIZZME Unique?

---

- 60-90 min non-stop live kizomba music. No organization is currently organizing this type of live music event and there is a demand for fresh event concepts in the dancing scene.
- The unique sound that KIZZME created by blending Angolan, Dutch, Dutch Caribbean and Cape Verdian influences together with electronic sounds.
- Mixed repertoire consisting of contemporary kizomba hits, original material and traditional classics
- High quality sound by our engineer Albert Windster (Ephrem J/ Pegasaya/ Resample)
- Young and dynamic team of musicians and singers that will connect with your crowd musically and through dancing
- Promo for your event on our social platforms and by going LIVE during your events.
